

ENT Surgeon

required for Coffs Harbour, NSW Mid North Coast

Baringa Private Hospital

Baringa Private Hospital, owned & operated by Ramsay Health Care, is seeking a general ENT Surgeon to establish their private practice in partnership with the private hospital.

There is also a VMO Specialist appointment available at Coffs Harbour Health Campus, Mid North Coast Local Health Service District for interested candidates.

Benefits:

- Assistance with marketing your practice to General Practitioners in the community to help establish your referral base;
- Excellent peer support in both private and public hospitals;
- Transfer and maintain entitlements accrued to Coffs Harbour Health Campus if currently working for NSW Health.

Candidates must be registered or registrable with the Medical Board of Australia and have Fellowship of the Royal Australasian College of Surgeons and/or other specialist recognition as provided for under the Health Insurance Act 1973. Participation in an on-call roster with 2 ENT Surgeons (at both private and public hospitals) is also required.

Baringa Private Hospital is a 71 bed licensed hospital and is licensed to perform paediatric ENT Surgery for children over 2 years. A \$10million theatre complex has recently been completed and offers state of the art operating facilities. Baringa has also recently opened a new day medical unit which caters for patients requiring chemotherapy and intravenous therapy.
