

Private Practice Opportunity for a Gynaecologist (FRANZCOG)

Baringa Private Hospital, Coffs Harbour

We are seeking a diversified FRANZCOG interested in establishing their private practice in partnership with the private hospital to provide full gynaecological services to the catchment population of approximately 70,000.

ABOUT US

- Baringa Private Hospital is an 80 bed licensed hospital;
- 3 new theatres have recently been added and these theatres are equipped with Stryker i-suites accommodating advanced surgical techniques;
- We currently have four gynaecologists who operate at Baringa;
- There is the opportunity for IVF practice at Baringa and we currently have 3 cycles per year and are seeking expansion;
- Support services at Baringa include day surgery, an oncology unit, a Special Care Unit, and a rehabilitation service; and
- Coffs Harbour has a wide range of support services including a cancer radiotherapy centre and integrated cancer unit.

HOW CAN BARINGA PRIVATE HOSPITAL ASSIST YOU?

Baringa Private Hospital is committed to providing support and direction in assisting you with strategies to market your new business. This includes:

- Inclusion in the Baringa Specialists Directory
- Letters of Introduction to GPs in the community to help establish your referral base
- Promotion of your business in hospital publications
- Participation in GP Education evenings – a great way to meet GPs face to face
