

Gynaecologist (FRANZCOG)

required for Coffs Harbour, NSW Mid North Coast

Baringa Private Hospital

Baringa Private Hospital, owned & operated by Ramsay Health Care, is seeking a diversified FRANZCOG to establish their private practice in partnership with the private hospital to provide full gynaecological services to the catchment population of approximately 70,000.

There is also a VMO Specialist appointment available at Coffs Harbour Health Campus (CHHC), Mid North Coast Local Health Service District for interested candidates. The position at CHHC encompasses Obstetrics & Gynaecological services, supported by 3 VMOs, 2 Registrars & 1 RMO.

Benefits:

- Assistance with marketing your practice to General Practitioners in the community to help establish your referral base;
- Excellent peer support in both private and public hospitals;
- Transfer and maintain entitlements accrued to Coffs Harbour Health Campus if currently working for NSW Health.

Candidates must be registered or registrable with the Medical Board of Australia and have Fellowship of the Royal Australian and New Zealand College of Obstetrics and Gynaecology and/or other specialist recognition as provided for under the Health Insurance Act 1973. Participation in an on-call roster with 4 Gynaecologists at both private and public hospitals is also required.

Baringa Private Hospital is a 71 bed licensed hospital and recently added a \$10million theatre complex offering state of the art operating facilities. There is also the opportunity for an IVF practice at Baringa. Currently, we have 3 cycles per year and are seeking expansion.
