

Hospital Medical Officer Would suit a Vocationally Registered - GP

PART-TIME / FULL-TIME – VARIOUS SHIFTS

St George Private Hospital's reputation is one of clinical excellence with a commitment to personalised care and continuous quality improvement. The work is interesting and stimulating and offers an attractive remuneration package.

The medical officer roster operates 24 hours a day, 7 days a week with shifts of between 8 – 12 hours long. We are seeking a skilled GP (vocationally registered), with good acute clinical skills. This is a great opportunity to use your clinical assessment and diagnostic skills within a supportive, collegial environment.

The Hospital delivers quality care in the following specialties:

- Cardiac and Cardiothoracic Surgery
- Orthopaedics and Spinal Surgery
- General Surgery and Urology
- Neurosurgery
- Bariatric and Upper GI Surgery
- Obstetrics and Gynaecology
- Neonatal Care
- Oncology

You will be responsible for providing medical management & care for a wide range of hospital in-patients, in liaison with the Hospitals credentialed Visiting Medical Practitioners.

You must be able to cannulate & have advanced adult resuscitation skills, with some experience with neonatal resuscitation.

Essential Criteria:

- AHPRA Registration
- Vocationally Registered GP
