

CAREER MEDICAL OFFICERS

INTENSIVE CARE UNIT

Permanent and Casual 12 hour positions available

Strathfield Private Hospital is a Tertiary level 85 bed teaching hospital, offering a full range of surgical services, including cardiothoracic surgery. In addition we provide cardiac catheterisation and chemotherapy services. Our 6 bed ICU/CCU is staffed by an ICU CMO 24 hours/day and the ward CMO is well supported by the Visiting Medical Practitioners. This position would suit an anaesthetic Registrar or Intensive Care trainee looking to gain additional experience in a busy unit caring for elective patients.

The successful candidates can be employed by the hospital or work as a contractor & provide an invoice for services provided. Attractive remuneration will be negotiated with the successful applicant dependent on relevant experience.

Desirable criteria:

- Registration with the NSW Medical Board (essential)
- Must hold appropriate Visa/residency status to work in Australia (essential).
- Advanced resuscitation skills with the ability to intubate and insert central lines (ICU CMO only)
- Experience with CVVHD, IABP and ventilated patients
