

Private practice opportunity for an Obstetrician / Gynaecologist (FRANZCOG)

Tamara Private Hospital, Tamworth

Tamara Private Hospital is seeking a FRANZCOG interested in establishing their private practice in partnership with the hospital to provide high quality obstetric and gynaecology care to the catchment population of approx 182,000.

ABOUT US

Tamara Private Hospital is the focus of private health care in the Tamworth region. The hospital has 55 ward beds, an obstetric unit, 3 operating theatres equipped to undertake major surgical procedures, a large procedural room and a large day surgery facility.

In addition to O&G, the hospital specialises in general surgery, ENT, orthopaedics and ophthalmology.

Tamara Private Hospital is located only 500 metres from the public hospital - Tamworth Referral Hospital.

OVERVIEW OF OBSTETRIC SERVICES

- The Obstetric Unit currently has 9 private beds;
- The current number of delivers per year is 180-200, however this could easily increase to 250+ deliveries with an additional Obstetrician;
- Current only 1 Obstetrician/Gynaecologist in private practice
 - Anaesthetists are available for caesareans, epidurals etc;
 - Antenatal clinic conducted by Midwives; and
- Tamara Private Obstetric Unit accepts postnatal transfers from the public hospital.

HOW CAN TAMARA PRIVATE HOSPITAL ASSIST YOU?

Tamara Private Hospital is committed to providing support and direction in assisting you with strategies to market your new business. This includes:

- Inclusion in the Tamara Specialists Directory;
- Letters of Introduction to GPs in the community to help establish your referral base;
 - Promotion of your business in hospital publications; and
- Participation in GP Education evenings – a great way to meet GPs face to face.
